Increased Traffic Enforcement:

- Police Services Divisions (PSD) has increased their focus on traffic violations across the installation since the end of April. As part of this effort to reduce traffic violations PSD has increased MP presence in the Brigade footprints during physical readiness training hours. Additionally, we have increased our presence on West Bliss, specifically the Cassidy and Sheridan road area during lunch and the end of the duty day.
- Since the beginning of May the MPs have issued 49 traffic citations and 16 written warnings. We anticipate that by the end of May we will have a firm grasp on the trends as they relate to traffic violations and make adjustments as necessary.

93d MP BN Southwest Border (SWB) Support:

- No impact to Law Enforcement operations within the installation.
- The DES team continues to monitor the installation security conditions for changes.
