IMPORTANT INFORMATION

A non-refundable deposit of $50 is required to confirm bookings for date chosen. All deposit amounts will be applied to final billing costs. Dates can be confirmed up to six (6) months in advance. Military and Fort Bliss command-sponsored events have priority status for reservations. Civilian functions booked by telephone are tentative until secured by a deposit within the six (6) month window.

All functions have a four (4) hour time limit. This includes any breaks during a function. Should you request to use the facility over the time limit; the catering representative will arrange any time changes two weeks prior to the event. (See charges for additional hour fee.) Rehearsals, set up and break down must take place within the time frames of normal operating hours.

Any damage to the facilities caused by guests will be the financial responsibility of the host/sponsor. No items can be stapled, taped or nailed onto any wall in the facility. Table decorations with drip less candles can be used as centerpieces provided the flame is enclosed in glass. Tablecloth damages caused from table decorations will be charged to the hosts at $20 per tablecloth. Glitter, tinsel or confetti are not allowed into the facility. Pace Hall/Pershing Pub is not responsible for any items lost or items left behind in the facility.

In accordance with Army regulatory requirements, no outside food and beverages can be brought into the facility, with the exception of special occasion cakes and pastries. All food provided by Pace Hall/Pershing Pub will be considered Pace Hall/Pershing Pub property and will not be removed from the premises.

The office must receive a guaranteed count 7 days before the day of the event. This guarantee will be the minimum meals catered; however, depending on room capacity; we must be notified immediately of any additions of up to 10% to the guaranteed count 24 hours prior to the starting time of the event. Last minute additions to the count at the time of the function might not be accommodated. The minimum is what will be billed, even if less than the given number is in attendance. The bill will not be less than the guaranteed count.

All private function accounts must be settled 72 hours prior to the date of the event. The manager can arrange corporate and organization billings. Acceptable forms of payment include cash, Visa, Discover and MasterCard, a personal check or a cashier's check.

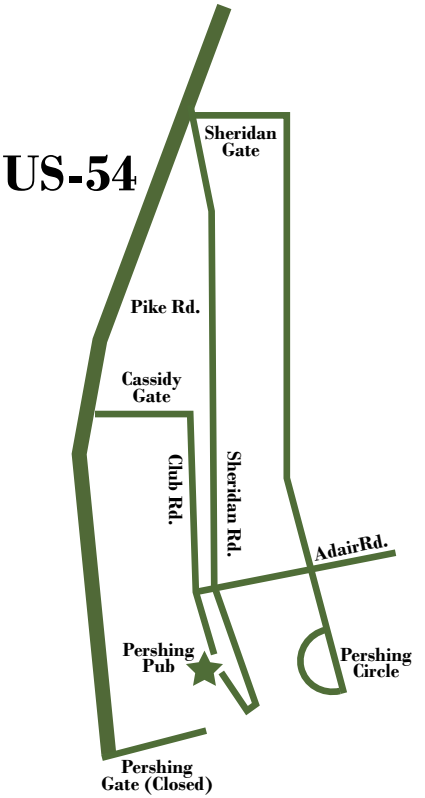

All laws and Fort Bliss post policies regarding the consumption of alcohol must be enforced by all guests and patrons invited to utilize Pace Hall/Pershing Pub.

The post drinking age is 21 years old without exception. No minors can consume alcoholic beverages at any time. No alcoholic beverages may be brought in to the facility nor consumed on Pace Hall/Pershing Pub property, including the parking lot.

As a host, it is the responsibility of the individual or organization to comply with the laws of safe alcohol consumption and to ensure all their guests comply as well. Disregard of or inability to enforce these Fort Bliss policies will involve the host in legal reprimand with post authorities.
