Dear Child and Youth Services Patron,

I am writing to notify you that on December 1, 2022, the Army will implement the School Year (SY) 2022-2023 Army Child and Youth Fee Policy as required by the SY 2022-2023 Department of Defense (DoD) Child Development Program Fee Policy. The DoD Fee Policy, issued each year, prescribes uniform fee regulations for military child developments programs based on Total Family Income (TFI). The key points included in the SY 2022-2023 Child and Youth Fee Policy are:

a. The fee policy increases the number of family income categories from 13 to 14 and increases the highest total family income category to \$154,051 and above. TFI ranges have been adjusted and families may see a decrease or increase in their category.

b. The hourly care rate has increased from \$7.00 to \$8.00.

If you have any questions or concerns, please contact Parent Central Services at (915) 568-4374 or (915) 568-4771.

Sincerely,
