Statement of Understanding Child and Youth Services Personnel

Standards of Conduct and Accountability in Child and Youth Services (CYS) Programs

I understand that:

1. I am responsible for providing guidance IAW CYS Policy by using knowledge, skills and abilities to identify appropriate and inappropriate behavior of children/youth based on their age and social/emotional development. I will role-model and explicitly teach problem-solving strategies, impulse control, empathy and acceptance of self and others as well as pro-social behavior.
2. I will never use corporal/physical punishment, **psychological abuse or coercion** as an acceptable form of guidance. Guidance will never be punitive in nature. Children will not be punished physically or verbally for lapses in toilet training or refusing food. I will never punish children/youth by any of the following: spanking, pinching, dragging or grabbing, shaking, or other corporal punishment; isolation; confinement in closets, boxes, or similar places; time away/timeout; binding to restrict the movement of mouth or limbs; humiliation, verbal abuse, **taunting or teasing**; deprivation of meals, snacks, outdoor play opportunities, or other program components. Restricting the use of specific play materials and equipment, or participation in a specific activity will be based on the developmental age and social/emotional development of the child and if it poses a safety concern for the child or others.
3. I am responsible for knowing the boundaries for appropriate and inappropriate touching that are established to ensure that CYS personnel have a clear understanding of what is acceptable and what is not. These boundaries are specified in the Standards of Conduct and Accountability SOP.
4. If an allegation **of abuse/neglect** is made against me, it will be grounds for immediate closure of my FCC home or reassignment outside of CYS until the investigation is completed.
5. I am responsible for supervising Infants, Pre-toddlers and Toddlers by sight and sound at all times and Preschool and School age children by sight supervision and for short intervals by sound (for instance when the child is toileting). Middle School and Teen youth are supervised by monitoring areas where youth are engaged in activities and requires that I move throughout the facility.
6. I am responsible for maintaining specific accountability for each Child Development Center (CDC)/**Family Child Care (FCC)** child in my group or each School Age Center (SAC)/Middle School Teen (MST) youth in my facility. I will follow the systems in place to account for children and youth at regular intervals, especially during periods of transition in CDC/SAC and during off-site activities based on risk assessment analysis. If I observe a

child slipping away from or leaving his/her primary care group or discover a **youth** in an off-limits area within the facility, I will notify the primary **caregiver**. These instances are not considered abuse/neglect. I am part of a team and am responsible for assisting my teammates as needed.

7. I will conduct or participate in a face-to-name count of children conducted once per hour in CDCs and during transitions in and out of the classroom. I will monitor all School Age children and Middle School/Teen youth while they independently move throughout the facility.

8. I must ensure the physical count of children/youth and/or the system that is used to monitor the whereabouts of children matches the number signed in (applies to direct care and management staff). I must ensure that the physical count of children/youth matches the number swiped into Child and Youth Management System (CYMS) (applies to management staff only).

9. I will focus my full attention on the children/youth in my care and will refrain from using personal electronic devices (to include cell phones, tablets, laptops and smart watches) while counted in ratio.

10. I am responsible for ensuring that all children/youth safely evacuate the building in the event of an emergency.

11. I may be observed by a manager or Training Specialist as part of a documented training or performance observation any time during my duty hours, either in person or through the use of the Video Surveillance System.

12. As a mandated reporter I will immediately and directly report to the Reporting Point of Contact (RPOC) **and State Child Protective Services (CPS) (if located in the U.S.)** any incident I witness which a reasonable person would consider child abuse or neglect.

13. If I witness an incident that a reasonable person would not consider child abuse or neglect, but is still a violation of this guidance, I will immediately verbally report it to **my** supervisor or other management staff, and follow up in writing.

14. I am responsible for completing reports on accidents, injuries to children/youth, or other unusual incidents that occur while I am on duty.

15. I will wear my appropriate color coded apparel (ensuring apparel can be seen at all times and from all angles) when caring for children/youth. While under Line Of Sight Supervision (LOSS), I will ensure that I am in view of another cleared staff member at all times. If providing LOSS for another staff member, I will keep that person in line of sight at all times **(does not apply to FCC Providers)**.

16. I will refrain from commenting, passing judgment, or providing guidance or input on sensitive topics with children/youth. I will encourage children/youth to reach out to a trusted family member or counselor for discussion.

17. The following Social Media and Electronic Communications are prohibited:

- There are several reasons why you should document your volunteer time on VMIS
- When registered and during volunteer hours worked (performance of their duties), volunteers are treated as employees of the government and "Only" registered volunteers receive protection in the event of injury, tort claims, accidents, claims for damages or loss, etc.
- A record of a volunteer's service history will always be available for the volunteer when they travel from installation to installation.
- Benefits received are funded: Training, TDY's, child care, formal awards and recognitions when funds are available.
- The government is only funded to support programs and services where you can document participation; if they are not registered and documenting their hours in VMIS (the government's repository for volunteer service), they don't count and our Volunteer program could potentially lose funding and all of the niceties that would support the program.
- Only individuals/organizations registered in VMIS can participate in the monthly and annual volunteer recognition ceremonies as funds are tied to the ceremonies.
- AR 608-1 states that all organizations having volunteers must ensure volunteer hours worked are documented in the Volunteer Management Information System.
