Advanced Placement -

Career & Technical Education (CTE)

The Whole Child - Athletics

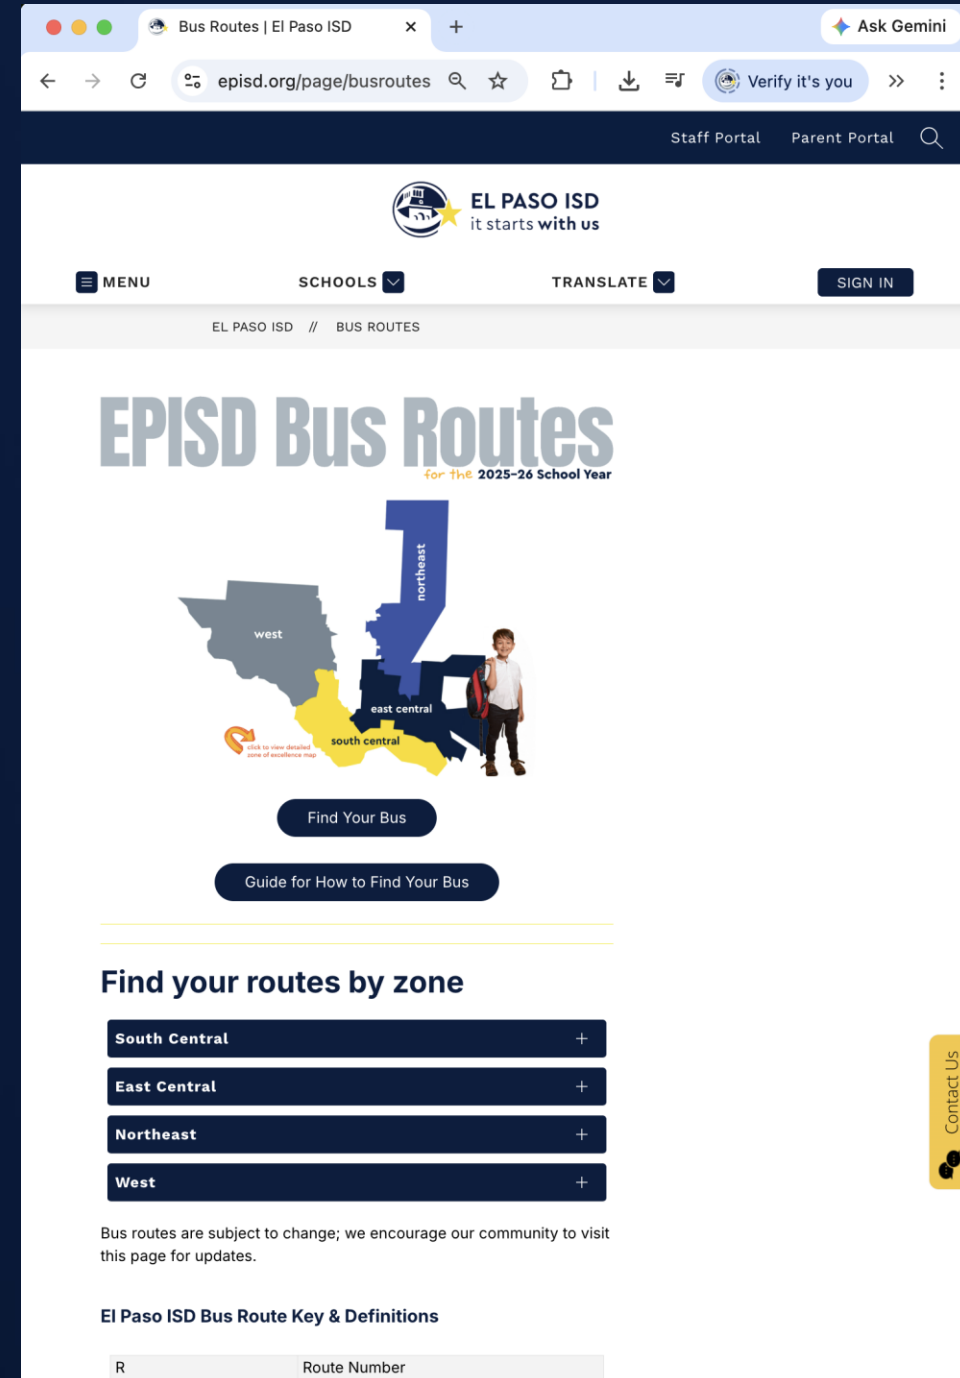

The Whole Child – Fine Arts

- Fine arts & Orchestra offered starting at Elementary Schools
- EPISD Orchestra qualifiers for All-Region in SY25-26 nearly double the number of all other area districts combined
- In 2025, 42 high school art students officially became professional artists and displayed their work at the El Paso Museum of Art. In 2026, that number is projected to increase to 70

Transportation

- Transportation for students to any campus within their designated Zone
- Support military families by offering transportation to on- and off-base campuses, within the student's Zone, ensuring accessibility and continuity in education

The screenshot shows the EL PASO ISD website page for bus routes. The page features a navigation bar with 'Staff Portal' and 'Parent Portal' links. The main content area is titled 'EPISD Bus Routes for the 2025-26 School Year' and includes a map of the district divided into four zones: west, east central, south central, and northeast. A student with a backpack is shown next to the map. Below the map are two buttons: 'Find Your Bus' and 'Guide for How to Find Your Bus'. A section titled 'Find your routes by zone' lists four zones with expandable buttons: South Central, East Central, Northeast, and West. A disclaimer states: 'Bus routes are subject to change; we encourage our community to visit this page for updates.' The page also includes a 'Contact Us' button on the right side.

Proudly Serving the Families that Serve

 Dedicated Military Family Liaisons (MFLs) who assist families with enrollment, campus connections, and accessing district resources to help ensure a smooth transition for students.

 Partnership with Military Family Life Counselors (MFLACs), students have access to on-campus counseling and support to help them navigate challenges related to deployments, relocations, and family separation.

 Throughout the year, the district organizes and participates in military-focused events and recognitions, where families can learn more about the programs and opportunities available across our schools.

 Our Family and Community Engagement Department works closely with military school liaisons and community partners to ensure military families remain connected, informed, and supported.

it starts with SUPPORT Military Engagement

Welcome to El Paso ISD, where our commitment to military-connected students and their families is at the heart of who we are. With over 9,000 military-connected students enrolled across our schools, we understand the unique needs and strengths of families who serve. We are honored to provide a stable, supportive, and high-quality educational experience tailored to help each student thrive—academically, socially, and emotionally.

Our dedication is recognized across the state, with 63 of our schools proudly designated as Purple Star Schools—a distinction that highlights our leadership in creating welcoming, responsive environments for military families. These schools have demonstrated outstanding efforts in helping students transition smoothly, building strong family-school partnerships, and honoring the service of our nation's military members.

Whether your family is new to the area or returning after a deployment, El Paso ISD is here to ensure you feel at home, supported, and connected. We're more than just a school district—we're a community that proudly stands with those who serve.

Purple Star support for military-connected students

El Paso ISD is the largest district in El Paso County with 63 Purple Star Campuses. We are proud to be the trailblazers in easing the transition for our military families."
