Unique Fort Bliss BOSS Program

When a soldier arrives at Fort Bliss, their first impressions shape their entire tour. We want to ensure that from the moment they step out of reception, they feel welcomed, oriented, and connected to our community.

To achieve this, we have established the Tour De Bliss.

What is Tour De Bliss?

Operating every Wednesday and Friday, the Tour De Bliss is a guided orientation across the installation specifically for new reception soldiers. It is more than just a map check; it is a deliberate effort to show them where they will live, work, and thrive. We introduce them to key on-post resources, family and MWR facilities, and the rich history of Fort Bliss.

The "Why" Behind the Tour

Navigating a new, large installation can be overwhelming, especially for junior soldiers and newly arrived families. By physically showing them the base, we are proactively breaking down barriers. This program aims to:

Build Immediate Community: Connect new arrivals with their peers and installation resources right away.

Enhance Readiness: Reduce the stress of transition so soldiers can focus on their mission and units faster.

Showcase Quality of Life: Highlight the excellent facilities and support networks available to them and their families here at Fort Bliss.

Our Ask of You

A program like this thrives on leadership visibility. We are asking for your endorsement to help champion the Tour De Bliss across your formations.

BOSS Representative Initiative

BLUF (Bottom Line Up Front): Social media platforms are being phased out for official military communication. To ensure your Brigade BOSS Representatives maintain access to critical information and maintain official status, they must be provisioned with an MS Teams license and have official duty orders on file with the Garrison BOSS program.

Please ensure the following two requirements are met for your unit's designated BOSS Reps:

1. MS Teams Licensing

Microsoft Teams is the new standard and exclusive platform for official BOSS communication, file storage, and collaboration.

Action Required: Ensure your Brigade Reps have active MS Teams (Army365) licenses. Without a license, they will not be able to join the BOSS Rep Teams channel or access critical program updates.

2. Official Duty Orders

Serving as a BOSS Rep is an official duty that requires proper accountability, dedicated time, and leadership backing.

Action Required: Draft and publish official duty orders appointing your designated Soldiers to the BOSS Rep role. Please submit these orders directly to the Garrison BOSS office for our records.

Fulfilling these requirements ensures our single Soldiers continue to receive the highest quality of life support and that your unit stays connected to all garrison events and volunteer opportunities.

Below is your BOSS Rep Packet that includes all documents and information your Team will need!
