MILITARY INTERSTATE CHILDREN'S COMPACT COMMISSION

- Texas Education Code 25.085 – Once a student is enrolled in school, they are **legally required** to attend every day.
 - Regular attendance in early elementary school is strongly linked with learning foundational skills, like reading, and freshman attendance is a strong predictor of whether a student will graduate.
 - \$3+ million was lost in state funding to local districts due to poor attendance rates.
- Applies to students in public and DoDEA schools only
 - Covers students of Active Duty members, NG/Reserves on Title 10 orders, Veterans within 1 year of medical discharge or retirement
 - The Compact deals with the educational challenges of military children due to their frequent relocations. It allows for the uniform treatment of military children as they transfer between school districts in member states.
